PROFESSIONAL SUMMARY

Detail-oriented Professional with over 20 years of experience in Governance, Regulatory Compliance, and Executive Administration within the public sector. Proven track record of managing complex documentation, overseeing high-budget projects, and ensuring adherence to strict legal and safety frameworks (OHS Act). Expert in stakeholder communication and project management, seeking to leverage 30 years of integrity, confidentiality, and a disciplined work ethic within the global remote sector.

Technical Profile: Results-driven specialist equipped to manage objectives across Regions and Availability Domains, synced with Multi-Cloud Infrastructures. Fully established home office with dual-monitor setup and high-speed fibre internet.

CORE COMPETENCIES

- **Administrative Excellence:** 20+ years managing schedules, reports, and facility operations.
- **Compliance & Governance:** Deep experience in municipal bylaws, national safety legislation, and ethics.
- **Contract & Vendor Management:** Oversight of service level agreements (SLAs) and contractor performance.
- **Data Integrity & Confidentiality:** Proven history of handling sensitive government and military-grade data.
- **Communication:** Exceptional command of English (TEFL Certified); expert in bridging systems and people.
- **Tech Savvy:** Proficient in VBA automation, HTML/CSS basics, and Advanced MS Office.

PROFESSIONAL EXPERIENCE

ETHEKWINI MUNICIPALITY (Governance Cluster) | Durban, KZN
Technical Controller / Administrative Lead | **July 2006 – Present**

- **Compliance Oversight:** Lead technical and administrative compliance for the City Hall Complex, ensuring 100% adherence to the OHS Act and municipal governance protocols.

- **Executive Support:** Liaise with high-ranking city officials and legal/safety officers to coordinate requirements for Council meetings and high-profile public functions.
- **Documentation & Reporting:** Manage detailed research, investigative reporting, and audit-ready records for multi-million Rand infrastructure upgrades.
- **Project Coordination:** Facilitate seamless communication between internal departments and external service providers to ensure milestones are met without legal or operational delays.

NORTECH INTERNATIONAL | Pietermaritzburg, KZN
Production Assistant to Engineer | **2004 – 2006**

- **Precision & Analysis:** Conducted rigorous fault analysis and drafted corrective action reports.
- **Efficiency Management:** Optimized operational workflows to reach 100% efficiency targets.

TELKOM SA | Durban, KZN
Technical Officer (Field Coordinator) | **2001 – 2004**

- **Workflow Automation:** Developed custom VBA programs to automate data entry and reporting, significantly increasing administrative accuracy and output speed.
